Karen,

There's no cost documentation file in the records center. Today is Dar's comp day. Can this wait until Monday and I'll check with Dar then?

Do you mean Dave Wright??

You might want to send Dave a note too – he may have the report in Dennis' files. Thanks, Leslie.

Karen,

I'm going to check with the Records Center to see if there is a cost file for Dimock which may contain notes explaining the last report.

All- please see the request below. I know a number was provided on the budget paper sheet but wanted to double check that's the most accurate and up to date before I respond. Thanks!

 Thanks.

We provided this chart to Hill staff in March, prior to completion of the investigation at Dimock. House Energy and Commerce staff have requested a final updated chart of total costs.
